

SAT Center Number: 52001

The SAT is a standardized test widely used for college admissions around the world. It assesses a student's readiness for college and is intended to provide colleges with a common data point that can be used to compare all applicants. The SAT primarily measures mathematical proficiency, evidence-based reading, and writing. A strong SAT score can enhance a student's college application and increase their chances of being admitted to the college or university of their choice. Many educational institutions consider SAT scores as part of the overall admissions process.

Test day rules

1. No mobile phones or other electronic devices are allowed in the testing room.
2. All other materials or notes must be left outside as well.
3. Bringing any of these items into the test will result in your dismissal.
4. Acceptable calculators are allowed for Digital SAT Test.
5. You may bring a snack for yourself to eat during the break.

Required Identification:

On the day of the test, students must present their original, valid passport or UAE National ID for identification purposes only. No other form of identification document is accepted. If any of the above are not available on the day of test, contact the MHIS Testing Center immediately. You must have your Digital SAT Admission Ticket on the test day. Sign into My SAT and click Print Admission Ticket.

Test Format:
